

Addendum to Imperial County SB 823 Plan

April 1, 2022

Per a request from the Office of Youth and Community Restoration, the chart below details disaggregated demographic and offense data for all of Imperial County with 707(b) and/or 290.008 offenses for 2019, 2020, and 2021:

At this time, [REDACTED] residing in the Imperial County Juvenile Hall. As [REDACTED] age [REDACTED] is similar to other youth in the facility, [REDACTED] not being housed separately, though [REDACTED] receiving additional services consistent with our SB 823 Plan. As the Secure Track population grow, we will rely more on evidence-based juvenile correctional classification models we are currently researching.
