

2024 Federal Youth General Information

The Office of Youth and Community Restoration (OYCR) is the agency charged with monitoring facilities according to the Juvenile Justice and Delinquency Prevention Act (JJDPa).

With respect to federal youth that are held in local juvenile detention facilities “Juveniles . . . who are aliens shall not be placed in secure detention facilities or secure correctional facilities.”¹ Such youth may be held for 24 hours before they must be counted as a violation of the JJDPa.

Agencies that operate secure juvenile detention facilities are required to complete this report each time a youth is held in the facility and is released to a federal agency (typically the Bureau of Immigration and Custom Enforcement for illegal entry or material witness).

If a youth is being held as a federal government hold AND has been charged with a criminal offense, only the time the youth spent in the facility solely as a Federal Government hold must be reported to the OYCR.

- 1) A separate report form is to be completed for each such youth held.
- 2) Only complete and submit this form after the individual has been released.
- 3) This form is to be submitted to the BSCC by the 10th of the month after such individual has been released.
- 4) All sections are to be completed before submission.
- 5) In the spaces provided at the bottom of the form, provide the name, title, date, telephone number, and e-mail address for both the reporting person and the facility manager.
