

# CALIFORNIA'S BEHAVIORAL HEALTH SYSTEM

*Reimagining the behavioral health experience for all Californians*

**Behavioral Health Modernization Package**  
(SB 326 & AB 531)

## General Obligation Bond

Makes funding available to build and establish over 10,000 new placements in the community.

## BH Services Act

Makes funding available for housing, prioritizes most in need, and includes substance use disorders.

## Benefit Alignment

Requires commercial health insurers to align BH benefits package with Medicaid.
