ⁱ Welfare and Institutions Code section 875, subdivision (a), provides:

- (a) In addition to the types of treatment specified in Sections 727 and 730, commencing July 1, 2021, the court may order that a ward who is 14 years of age or older, be committed to a secure youth treatment facility for a period of confinement described in subdivision (b) if the ward meets the following criteria:
- (1) The juvenile is adjudicated and found to be a ward of the court based on an offense listed in subdivision (b) of Section 707.
 - (2) The adjudication described in paragraph (1) is the most recent offense for which the juvenile has been adjudicated.
 - (3) The court has made a finding on the record that a less restrictive, alternative disposition for the ward is unsuitable. In determining this, the court shall consider all relevant and material evidence, including the recommendations of counsel, the probation department, and any other agency or individual designated by the court to advise on the appropriate disposition of the case. The court shall additionally make its determination based on all of the following criteria:
 - (A) The severity of the offense or offenses for which the ward has been most recently adjudicated, including the ward's role in the offense, the ward's behavior, and harm done to victims.
 - (B) The ward's previous delinquent history, including the adequacy and success of previous attempts by the juvenile court to rehabilitate the ward.
 - (C) Whether the programming, treatment, and education offered and provided in a secure youth treatment facility is appropriate to meet the treatment and security needs of the ward.
 - (D) Whether the goals of rehabilitation and community safety can be met by assigning the ward to an alternative, less restrictive disposition that is available to the court.
 - (E) The ward's age, developmental maturity, mental and emotional health, sexual orientation, gender identity and expression, and any disabilities or special needs affecting the safety or suitability of committing the ward to a term of confinement in a secure youth treatment facility.
