

**CISA SUBCOMMITTEE -  
JANUARY 2026**

# **NEEDS ASSESSMENT OUTLINE**

# PURPOSE

## **Purpose**

Understand the needs, capacity, and collaboration interests of Title II funded organizations to inform future networking, technical assistance, and state support.

## **Target Population**

- Primary: Current Title II grantees
- Potential expansion (time and capacity dependent):
  - Former Title II grantees
  - Other CBOs serving justice impacted youth

# KEY GOALS

## COLLABORATION & NETWORK BUILDING

- Interest in engaging with other grantees and CBOs
- Recommendations for collaboration and shared learning
- Interest in a network of service providers for justice-impacted youth

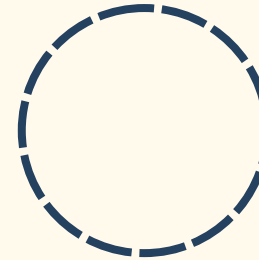

## SYSTEMS AWARENESS & SUPPORT

- Awareness of local Juvenile Justice Commissions
  - Awareness of state level bodies (SACJJDP and subcommittees)
  - Desired technical assistance and support
  - Greatest needs and how the State can help
- 

# DATA AND EVALUATION

**Goal: Understand current capacity and identify opportunities for support**

- **What data and information organizations collect**
- **How data is used in practice**
- **Inclusion of youth and family voice**
- **Outcomes tracked and how success is defined**

# FOR DISCUSSION: APPROACH AND FEASIBILITY

## **Mixed - Method Approach**

- Survey + Interviews of Title II Grantees

## **Phase 1: Surveys**

- More front-end work
- Best for data and evaluation questions
- Focus on current grantees first

## **Phase 2: Interviews**

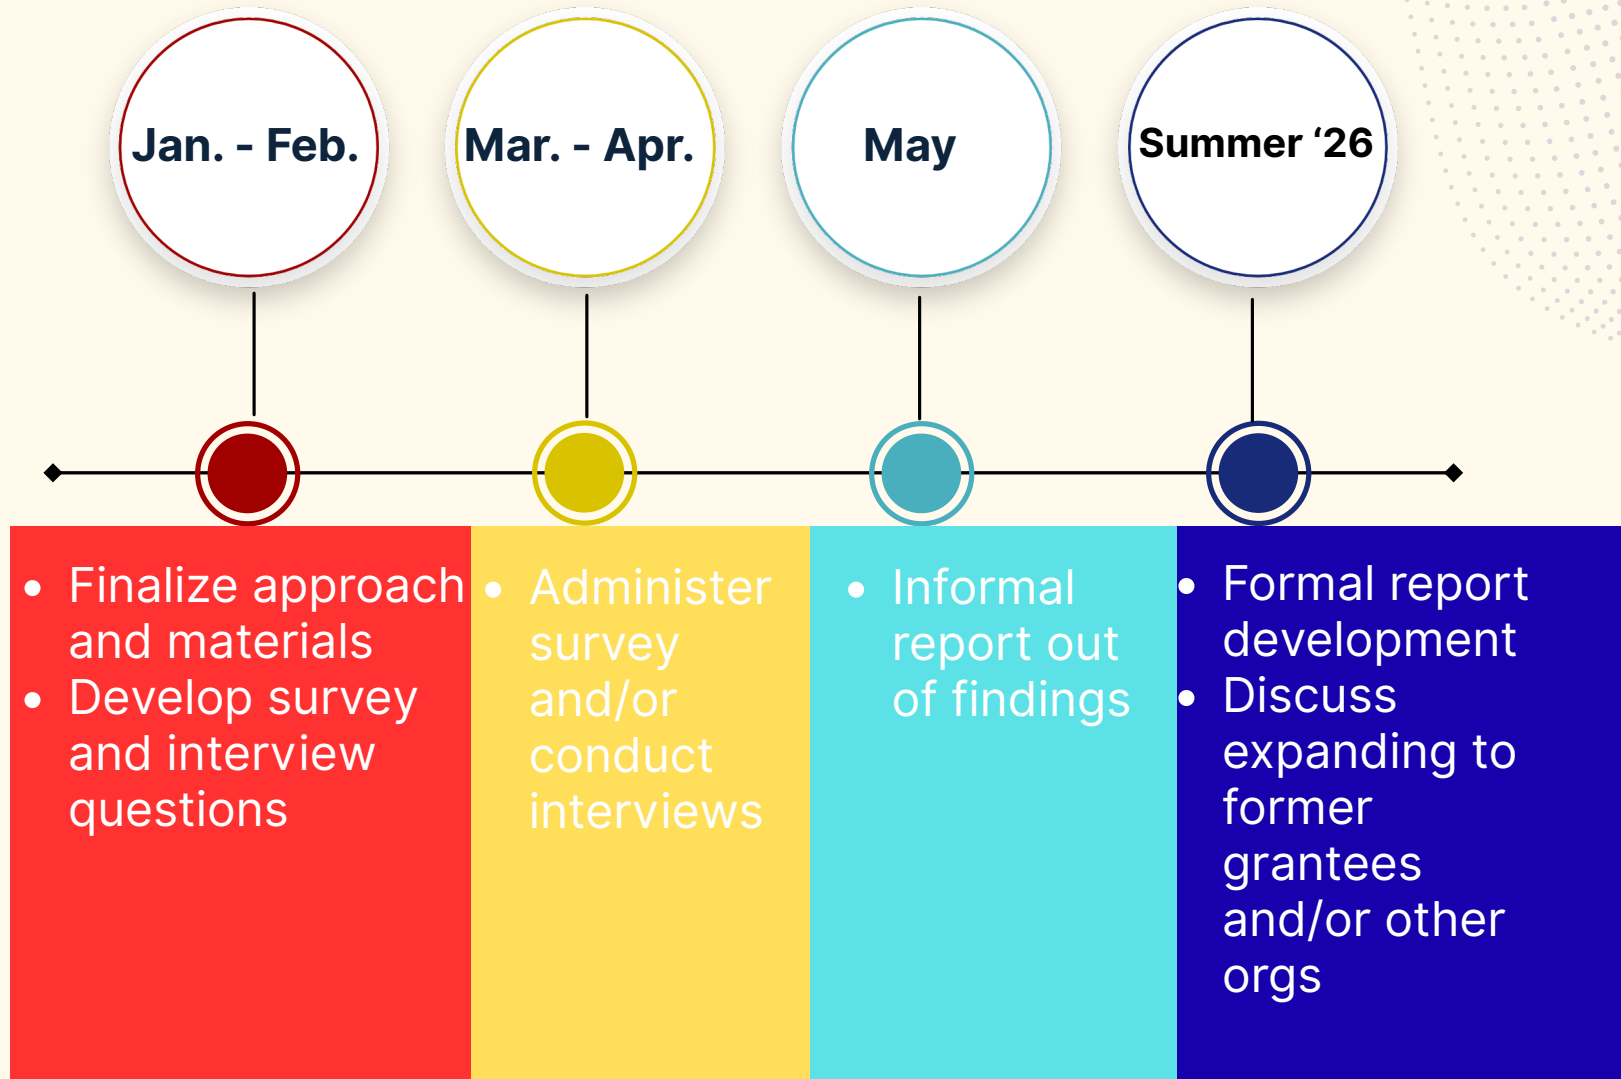

- More back-end work
- Deeper insight into experiences and recommendations
- Conducted after survey with current grantees

## **Disclaimers:**

- We will need to determine if IRB is necessary
- Expansion to former grantees and state JJDPs / JJC's is contingent on sub-committees capacity

# TIMELINE

# OUTCOMES & DECISION POINTS

## Expected Outcomes

- Clear understanding of grantee needs and capacity
- Actionable recommendations for collaboration and TA
- Guidance for state and local JJ system support

## Decision Points

- Confirm approach
- Agree on sequencing and scope
- Align on expectations and capacity
